The Global India Fund is a 501c3 non-profit organization focused on giving people around the world the opportunity to save lives and make a real difference. GIF inspires global philanthropy and changes the way people give by providing secure and transparent giving options to both individual and corporate donors. GIF showcases the work of credible non-profit organizations in India and empowers donors to choose which organizations to support – it is simple, smart, and powerful. Contributions are tax-deductible and within the limits established by law. (GIF Federal Tax ID #14-2005694)
